The Board of Directors has fixed the close of business on June 3, 2013 as the record date for determination of stockholders entitled to notice of and to vote at the Annual Meeting of Stockholders or any adjournment thereof.

We are pleased to take advantage of Securities and Exchange Commission rules that allow companies to furnish their proxy materials over the Internet. We are mailing to many of our stockholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials and our 2012 Annual Report on Form 10-K. The Notice contains instructions on how to access those documents and to cast your vote via the Internet. The Notice also contains instructions on how to request a paper copy of our proxy materials and our 2012 Annual Report on Form 10-K. All stockholders who do not receive a Notice will receive a paper copy of the proxy materials and the Annual Report by mail. This process allows us to provide our stockholders with the information they need on a more timely basis, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials.

Whether or not you plan to attend, it is important that your shares be represented and voted at the meeting. I urge you, therefore, to return a signed proxy card or vote by telephone or over the Internet, so that you can be sure your votes are properly counted, even if you plan to attend the meeting. Information about voting procedures can be found in the proxy statement.

I hope you will join us.

By Order of the Board of Directors,

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
STOCKHOLDER MEETING TO BE HELD ON AUGUST 2, 2013**

The Company's Notice of Annual Meeting, this proxy statement, the proxy card, and our Annual Report for the fiscal year ended October 31, 2012 are available on the Internet at <https://materials.proxyvote.com/749552> and on our website at www.rfindustries.com under "Investor Information."

Voting

Only stockholders of record at the close of business on June 3, 2013, will be entitled to notice of and to vote at the Annual Meeting. On June 3, 2013, there were 7,779,790 shares of Common Stock outstanding. The Company is incorporated in Nevada, and is not required by Nevada corporation law or its Articles of Incorporation to permit cumulative voting in the election of directors.

How can I attend the Annual Meeting?

You may attend the Annual Meeting if you are listed as a stockholder of record as of June 3, 2013 and bring proof of your identity. If you hold your shares in street name through a broker or other nominee, you will need to provide proof that you are the beneficial owner of the shares by bringing either a copy of a brokerage statement showing your share ownership as of June 3, 2013, or a legal proxy if you wish to vote your shares in person at the Annual Meeting.

How can I vote my shares in person at the Annual Meeting?

Shares held directly in your name as the stockholder of record may be voted in person at the Annual Meeting. If you choose to do so, please bring proof of your identity to the Annual Meeting. If your shares are held in a stock brokerage account or by a bank or other nominee, you have the right to direct your broker or nominee on how to vote these shares and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a proxy from your broker or nominee. Your broker or nominee has provided voting instructions for you to use. If you wish to attend the Annual Meeting and vote in person shares held in your brokerage account name, please contact your broker or nominee so that you can receive a legal proxy to present at the Annual Meeting. Even if you plan to attend the Annual Meeting, we urge you to vote in one of the ways described below so that your vote will be counted if you later decide not to attend the Annual Meeting or are unable to attend. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you change your proxy instructions as described above.

How can I vote my shares without attending the Annual Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet, by telephone or by mail. Please refer to the summary instructions below, the instructions included on the Notice of Internet Availability of the proxy materials, and if you request printed proxy materials, the instructions included on your proxy card or, for shares held in street name, the voting instruction card provided by your broker or nominee.

- *By Internet* — If you have Internet access, you may submit your proxy from any location in the world by following the Internet voting instructions on the proxy card or voting instruction card sent to you.
- *By Telephone* — You may submit your proxy by following the telephone voting instructions on the proxy card or voting instruction card sent to you.
- *By Mail* — You may do this by marking, dating and signing your proxy card or, for shares held in street name, the voting instruction card provided to you by your broker or nominee, and mailing it in the enclosed, self-addressed, postage prepaid envelope. No postage is required if mailed in the United States. *Please note that you will be mailed a printed proxy card or printed voting instruction card only if you request that such printed materials be sent to you by following the instructions in the Notice of Internet Availability for requesting paper copies of the proxy materials.*

What vote is required for the proposals?

With regard to the election of directors, the five nominees receiving the greatest number of votes cast will be elected provided a quorum is present. On each matter properly presented and submitted to a vote at the Annual Meeting, each share will have one vote for shares represented at the Annual Meeting (in person or by proxy) and entitled to vote. Shares represented by proxies that reflect abstentions or broker non-votes (that is, shares held by a broker or nominee which are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions will be counted towards the tabulation of votes cast on matters properly presented to the stockholders (except the election of directors) and will have the same effect as negative votes. Broker non-votes will not be counted as votes cast and, therefore, will have no effect on the outcome of the matters presented at the Annual Meeting. If the enclosed proxy is properly executed and returned to, and received by, the Company prior to voting at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. If no instructions are indicated on a properly executed proxy, the shares represented by that proxy will be voted as recommended by our Board of Directors. Assuming that a quorum is present, the affirmative vote of a majority of the shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote will be required to (x) approve, on an advisory basis, our executive compensation for our named executive officers, (y) approve, on an advisory basis, the frequency of our advisory votes on the executive compensation for our named executive officers, and (z) ratify the appointment of the independent registered public accounting firm.

As a result of changes made by the Dodd-Frank Wall Street Reform and Consumer Protection Act to the regulation of brokers under certain self-regulatory organizations such as the New York Stock Exchange (“NYSE”) and NASDAQ Stock Market LLC (“Nasdaq”), brokers are not permitted to vote on the election of directors or on the advisory proposal on executive compensation without instructions from the beneficial owner. Therefore, if your shares are held in the name of your broker, bank or other nominee, your vote is especially important this year.

Revocability of Proxies

When the enclosed Proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with any directions noted thereon, and if no directions are indicated, the shares it represents will be voted in favor of the proposals set forth in the notice attached hereto. Any person giving a Proxy in the form accompanying this Proxy Statement has the power to revoke it any time before its exercise. To revoke a proxy previously submitted by telephone or through the Internet, you may simply vote again at a later date, using the same procedures, in which case your later submitted vote will be recorded and your earlier vote revoked. A Proxy may also be revoked by filing with the Secretary of the Company’s principal executive office, 7610 Miramar Road, San Diego, California 92126-4202, an instrument of revocation or a duly executed Proxy bearing a later date, or it may be revoked by attending the Annual Meeting and voting in person. *Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote in person at the Annual Meeting, you must obtain from the record holder a proxy issued in your name.*

If I am a beneficial owner of shares, can my brokerage firm vote my shares?

If you are a beneficial owner and do not vote via the Internet, telephone, or by returning a signed voting instruction card to your broker, your shares may be voted only with respect to so-called routine matters where your broker has discretionary voting authority over your shares. Brokers will have such discretionary authority to vote on Proposal 4 regarding the ratification of the selection of our independent registered public accounting firm for 2013, but not on any of the other proposals.

We encourage you to provide instructions to your brokerage firm by returning your voting instruction card. This ensures that your shares will be voted at the Annual Meeting with respect to all of the proposals described in this proxy statement.

Solicitation

The Company will bear the entire cost of solicitation of Proxies, including the preparation, assembly, printing, and mailing of this Proxy Statement, the Proxy, and any additional material furnished to stockholders. Copies of solicitation material will be furnished to brokerage houses, fiduciaries, and custodians holding shares in their names that are beneficially owned by others to forward to such beneficial owners. In addition, the Company may reimburse such persons for their cost of forwarding the solicitation material to such beneficial owners. The solicitation of Proxies by mail may be supplemented by telephone, facsimile or email, and/or personal solicitation by directors, officers, or employees of the Company. No additional compensation will be paid for any such services. Except as described above, the Company does not intend to solicit Proxies.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published by the Company on Form 8-K within four business days following the Annual Meeting.

PROPOSAL 1: NOMINATION AND ELECTION OF DIRECTORS

Effective June 7, 2013, the Company's Board of Directors amended the Company's Amended and Restated Bylaws (the "Bylaws"), to provide for the classification of our Board of Directors into three classes of directors with staggered terms of office. Nevada law permits the bylaws to provide for a classified board of directors. Prior to the amendment, the Bylaws provided that all directors were to be elected annually to serve until their successors have been elected and qualified. As amended, the Bylaws now provide that directors will be classified into three classes, with each class as nearly equal in number as possible. At each annual meeting of stockholder following this Annual Meeting, the successors to the class of directors whose terms expire at that meeting will be elected for a term of office to expire at the third succeeding annual meeting of stockholders after their election and until their successors have been duly elected and qualified (i.e. after this Annual Meeting, directors will be elected for three year terms). At the Annual Meeting to be held on August 2, 2013, all the directors will be elected to serve for the specified class of directors. One class of directors will be elected to hold office initially for a one-year term expiring at the 2014 annual meeting of the stockholders, a second class of directors will be elected to hold office for a two-year term expiring at the 2015 annual meeting, and a third class of directors will be elected to hold office for a three-year term expiring at the 2016 annual meeting. As stated below, Marvin Fink has been nominated to serve the one-year term, Howard Hill and Joseph Benoit have been nominated to serve the two-year term, and Darren Clark and William Reynolds have been nominated to serve the three-year term.

The Board of Directors did not amend the Bylaws to adopt the classified Board in response to a pending or threatened attempt to acquire control of the Board or the Company. Rather, the Board believed that the classified Board will assist the Board of Directors in protecting the interests of the Company's stockholders in the event of an unsolicited change of control of the Company that, the Board believes, is not in the best interests of the Company and its stockholders. Before the Bylaws were amended, a change in control of the Board of Directors could be made by stockholders holding a majority of the votes cast at a single annual meeting of the stockholders. Because of the additional time required to change control of the Board of Directors, the classified board will prevent a hostile or dissident stockholder from immediately acquiring control of the Board of Directors without the cooperation of the Board of Directors. However, the classified Board also makes it more difficult for the stockholders to change the composition of the Board of Directors even if the stockholders believe such a change would be desirable.

As of the date of this meeting, the Company's Board of Directors is composed of the following five members: Marvin H. Fink, Howard F. Hill, William L. Reynolds, Darren Clark and Joseph Benoit. The Board of Directors currently consists of five members, and all five directors are to be elected at the Annual Meeting. The directors to be elected will hold office until their respective term expires and until his or her successor is elected and has qualified, or until his or her death, resignation, or removal.

The five candidates receiving the highest number of affirmative votes cast at the Annual Meeting shall be elected as directors of the Company. Each nominee listed below has agreed to serve if elected. If for any reason any nominee named below is not a candidate when the election occurs, we intend to vote proxies for the election of the other nominees

named below and may vote them for any substitute nominee or, in lieu thereof, our Board of Directors may reduce the number of directors in accordance with our Bylaws. Unless otherwise instructed, the Proxy holders will vote the Proxies received by them in a manner that will result in the election of the five nominees named below.

A majority of the Directors are "independent directors" as defined by the listing standards of The Nasdaq Stock Market, and the Board of Directors has determined that such independent directors have no relationship with the Company that would interfere with the exercise of their independent judgment in carrying out the responsibilities of a director. The independent Director nominees are Marvin Fink, William Reynolds and Joseph Benoit.

Set forth below is information regarding the nominees, including information furnished by them as to their principal occupations and their ages.

<u>Name</u>	<u>Age</u>	<u>Director Since</u>
Marvin H. Fink	77	2001
Howard F. Hill	72	1979
William L. Reynolds	78	2005
Darren Clark	46	2011
Joseph Benoit	59	2013

Mr. Fink most recently served as the Chief Executive Officer, President and Chairman of the Board of Recom Managed Systems, Inc. from October 2002 to March 2005. Prior thereto, Mr. Fink was President of Teledyne's Electronics Group. Mr. Fink was employed at Teledyne for 39 years. He is a member of the California Bar.

Class II--Nominees for Election for a Two-Year Term Expiring at the 2015 Annual Meeting

Howard F. Hill, a founder of the Company in 1979, is the Company's Chief Executive Officer. In addition, from January 18, 2013 until June 7, 2013, Mr. Hill has also served as the Company's Interim Chief Financial Officer. Mr. Hill has credits in Manufacturing Engineering, Quality Engineering and Industrial Management. He was President of the Company from July 1993 until July 2011. He has held various positions in the electronics industry over the past 58 years.

Joseph Benoit was appointed to the Board of Directors on April 8, 2013. Mr. Benoit retired from Union Bank in June 2012 after serving in various management and leadership roles for over 20 years. Managing over 100 Union Bank branch offices in Southern California and being the head of Business Banking were among his responsibilities. As an Executive Vice President, he also served as Union Bank's integration manager for FDIC assisted acquisitions. Mr. Benoit has a B.S. in Business Administration from San Diego State University and an MBA from National University. He is also a graduate of Pacific Coast Banking School and serves as a director on various non-profit boards.

Class III--Nominees for Election for a Three-Year Term Expiring at the 2016 Annual Meeting

William L. Reynolds is a retired financial executive. Mr. Reynolds most recently was the VP of Finance and Administration for Teledyne Controls from 1994 until his retirement in 1997. Prior thereto, for 22 years he was the Vice-President of Finance and Administration of Teledyne Microelectronics. Mr. Reynolds also was a program finance administrator of Teledyne Systems Company for five years. He has a B.B.A. degree in Accounting from Woodbury College.

Darren Clark was appointed to the Board of Directors on June 15, 2011 following the acquisition by the Company of Cables Unlimited, Inc. on that date. Mr. Clark has been an executive officer of Cables Unlimited, Inc. since that company was formed in 1992, and has been the Chief Executive Officer and sole shareholder of Cables Unlimited since 2005.

In determining whether each nomination was appropriate and that each is qualified to serve on the Board of Directors, the Board considered the following:

Marvin H. Fink: Mr. Fink has significant experience in a variety of areas important to overseeing the management and operations of this Company, including experience as an executive officer, an engineer and a lawyer. Mr.

Fink has been the principal executive officer of a public company as well as the President of Teledyne's Electronics Group. He has degrees in engineering and law and was involved in the electronics industry for over 40 years.

Howard F. Hill: Mr. Hill is a founder of the Company and has over 58 years of experience in the electronics industry.

Joseph Benoit: Mr. Benoit has significant financial management and banking experience, having served in various executive positions at Union Bank.

William L. Reynolds: Mr. Reynolds has significant accounting and financial management expertise, having served as VP of Finance and Administration for Teledyne Controls, as the Vice-President of Finance and Administration of Teledyne Microelectronics, and as a program finance administrator of Teledyne Systems Company. He also has a degree in accounting, which enables him to serve as the "audit committee financial expert" of the Audit Committee.

Darren Clark: Mr. Clark is the founder and has been a principal executive officer of Cables Unlimited, Inc. and as a result, is familiar with the operations of that key subsidiary of the Company. He is an expert in the design and manufacture of complex cable assemblies, harnesses and fiber optic cable assemblies. The fiber optic industry is an important area of growth for the Company.

Terms of Service

Each director to be elected will hold office until their respective term expires and until his or her successor is elected and has qualified, or until his or her death, resignation, or removal.

Board Leadership Structure

Currently, the positions of Chairman of the Board of Directors and Chief Executive Officer of the Company are held by separate individuals, with Mr. Fink serving as Chairman of the Board and Mr. Hill serving as Chief Executive Officer. Mr. Fink, an independent director, has served as the Chairman of the Board since 2007. However, the Company has continuously had a separate Chief Executive Officer for more than a decade. The Chairman of the Board is appointed by our board of directors on an annual basis.

The Board of Directors currently believes that this structure is best for the Company, as it allows Mr. Hill to focus on the Company's strategy, business and operations, while enabling Mr. Fink to manage our Board of Directors and serve as a liaison between the Board and the Company's senior management, led by Mr. Hill. Additionally, the Board currently believes the separation of offices is beneficial, because a separate Chairman can provide the Chief Executive Officer with guidance and feedback on his performance and the Chairman provides a more effective channel for the Board to express its views on management. This structure can also enable Mr. Fink and Mr. Hill, and the other members of the Board, to be better informed and to communicate more effectively on issues, including with respect to risk oversight matters.

The Board does not believe that a formal policy separating the positions of Chairman of the Board and Chief Executive Officer is necessary. The Board continually evaluates our leadership structure and could in the future decide to combine the Chairman and Chief Executive Officer positions if it believes that doing so would serve the best interests of the Company and stockholders.

Management

Howard F. Hill is the Chief Executive Officer of the Company. From January 18, 2013 to June 7, 2013, he also served as the Company's Interim Chief Financial Officer and Corporate Secretary. He co-founded the Company in 1979. He was President of the Company from July 1993 until July 2011. Mr. Hill has credits in Manufacturing Engineering, Quality Engineering and Industrial Management. He has held various positions in the electronics industry over the past 58 years. (see "Nominees," above)

James Doss is the Company's President, a position he has held since July 7, 2011. Mr. Doss joined the Company as its full-time Director of Accounting on February 13, 2006. On February 1, 2007, the Company appointed Mr. Doss as its Acting Chief Financial Officer and Corporate Secretary. Mr. Doss was appointed as the Company's Chief Financial Officer on January 25, 2008. Mr. Doss has significantly contributed to the recent growth of the Company, and the Board has decided that Mr. Doss' efforts as the President should be focused primarily on the operations of the Company. Accordingly, on January 18, 2013, Mr. Doss stepped down as the Company's Chief Financial Officer and Secretary, and Mr. Hill became the Interim Chief Financial Officer until a new, full-time Chief Financial Officer was hired. Prior to

joining the Company, Mr. Doss, 44, was a private consultant to a number of software and high-tech companies, providing general accounting support. Previously, he was Director of Finance for San Diego-based HomeRelay Communications, Inc., an Internet Service Provider (ISP). From 1996 to 2000, Mr. Doss was Controller for CliniComp International, a San Diego medical software developer and hardware manufacturer of hospital critical care units. In 1995, Mr. Doss joined Denver-based Merrick & Company as Senior Staff Accountant. Mr. Doss received his B.S. in Finance and minor in Economics from San Diego State University in 1993. The Company had previously believed, and disclosed, that Mr. Doss had completed his graduate and advanced financial management studies at San Diego State University and that he had received his MBA. However, the Company was recently informed that Mr. Doss has not fully completed four courses necessary to earn the MBA degree. Mr. Doss is currently enrolled in classes needed to complete the MBA degree.

Mark Turfler was appointed as the Company's Acting Chief Financial Officer and Corporate Secretary on June 7, 2013. Mr. Turfler, 61, joined the Company in January 2013 as our Controller. Prior to joining the Company, Mr. Turfler worked in senior accounting/finance positions at Ligand Pharmaceuticals, Inc. from 2006 to 2009, at Cylene Pharmaceuticals, Inc. from 2010 to 2011, and as an independent financial/accounting consultant from 2012 until he joined the Company in January 2013. Mr. Turfler has more than 35 years of accounting and finance experience including several years with publicly traded companies in a variety of senior financial executive positions with wireless telecommunications, international manufacturing, medical device and software companies. Mr. Turfler began his career with PricewaterhouseCoopers after graduating from Syracuse University with a B.S. in accounting. Mr. Turfler is a Certified Public Accountant and a member of the American Institute of CPAs, California Society of CPAs, and Financial Executives International.

Board of Director Meetings

During the fiscal year ended October 31, 2012, the Board of Directors held six meetings. During the fiscal year ended October 31, 2012, each member of the Board of Directors attended at least 75% of the meetings of the Board of Directors and at least 75% of the meetings of the committees on which he served.

Board Committees

During the fiscal 2012, the Board of Directors maintained four committees, the Compensation Committee, the Audit Committee, the Strategic Committee and the Nominating and Corporate Governance Committee. As a result of the reduction in the size of the Board following the resignation of two directors, the size of the Board was reduced (there currently are five directors). The Strategic Committee used to consist of four members. Because of the smaller size of the Board and the infrequency of matters considered by the Strategic Committee, the Board decided that the Strategic Committee was unnecessary, and, as a result, the Strategic Committee has been dissolved. However, the Board may, from time to time, establish a smaller *ad hoc* Strategic Committee to assist the Board in fulfilling its responsibilities relating to the development, articulation, and execution of the Company's long term strategic plan and to report and make recommendations on such matters to the Board of Directors.

The Audit Committee meets periodically with the Company's management and independent registered public accounting firm to, among other things, review the results of the annual audit and quarterly reviews and discuss the financial statements. The Audit Committee also hires the independent registered public accounting firm, and receives and considers the accountant's comments as to controls, adequacy of staff and management performance and procedures. The Audit Committee is also authorized to review related party transactions for potential conflicts of interest and to conduct internal investigations into whistleblower complaints. The Audit Committee currently is composed of Mr. Reynolds (Chairman), Mr. Fink and Mr. Benoit. Each of these individuals was a non-employee director and was independent as defined under the Nasdaq Stock Market's listing standards. Each of the members of the Audit Committee has significant knowledge of financial matters, and Mr. Reynolds currently serves as the "audit committee financial expert" of the Audit Committee. The Company believes that the current members of the Audit Committee can competently perform the functions required of them as members of the Audit Committee. The Audit Committee met six times during fiscal 2012. The Audit Committee operates under a formal charter that governs its duties and conduct.

The Compensation Committee currently consists of Messrs. Fink, Reynolds, and Benoit (Chairman) each of whom is a non-employee director and is independent as defined under the Nasdaq Stock Market's listing standards. The Compensation Committee is responsible for considering and authorizing remuneration arrangements for senior management. The Compensation Committee held one formal meeting during fiscal 2012, which was attended by all committee members.

The Nominating and Corporate Governance Committee is responsible for developing and recommending corporate governance guidelines to the Board, identifying qualified individuals to become directors, recommending

selected nominees to serve on the Board, and overseeing the evaluation of the Board and its committees. The Nominating and Corporate Governance Committee currently consists of Messrs. Fink (Chairman), Benoit, and Reynolds each of whom is a non-employee director and is independent as defined under the Nasdaq Stock Market's listing standards. The Nominating and Corporate Governance Committee held one formal meeting during fiscal 2012, which was attended by all committee members.

Nominating Directors

The Nominating and Corporate Governance Committee has not adopted a formal policy with regard to the consideration of diversity when evaluating candidates for election to the Board. However, the Nominating and Corporate Governance Committee believes that membership should reflect diversity in its broadest sense, but should not be chosen nor excluded based on race, color, gender, national origin or sexual orientation. In this context, the Nominating and Corporate Governance Committee does consider a candidate's experience, education, industry knowledge, history with the Company, and differences of viewpoint when evaluating his or her qualifications for election to the Board.

The Nominating and Corporate Governance Committee believes that the Board of Directors should consist of individuals who possess the integrity, education, work ethic, experience and ability to work with others necessary to oversee our business effectively and to represent the interests of all of the Company's stockholders. The Nominating and Corporate Governance Committee also believes that it is desirable for directors to own an equity interest in the Company in order to better align their interests with those of the stockholders. The standards that the Nominating and Corporate Governance Committee considers in selecting candidates (although candidates need not possess all of the following characteristics, and not all factors are weighted equally) include, among other factors determined to be relevant by the Board, each director's or nominee's:

- business experience;
- industry experience;
- financial background;
- breadth of knowledge about issues affecting the Company; and
- time available for meetings and consultation regarding Company matters and other particular skills and experience possessed by the individual.

The Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee each operate pursuant to a written charter, which charters are available on our website at www.rfindustries.com.

Stockholder Recommendations of Director Candidates The Board of Directors will consider Board nominees recommended by stockholders. In order for a stockholder to nominate a candidate for director, timely notice of the nomination must be given in writing to the Corporate Secretary of the Company. To be timely, the notice must be received at the principal executive offices of the Company as set forth under "Stockholder Proposals" below. Notice of a nomination must include your name, address and number of shares you own; the name, age, business address, residence address and principal occupation of the nominee; and the number of shares beneficially owned by the nominee. It must also include the information that would be required to be disclosed in the solicitation of proxies for election of directors under the federal securities laws, as well as whether the individual can understand basic financial statements and the candidate's other board memberships (if any). You must submit the nominee's consent to be elected and to serve. The Board of Directors may require any nominee to furnish any other information that may be needed to determine the eligibility and qualifications of the nominee.

Any recommendations in proper form received from stockholders will be evaluated in the same manner that potential nominees recommended by our Board members or management are evaluated.

Stockholder Communication with Board Members Stockholders who wish to communicate with our Board members may contact us at our principal executive office at 7610 Miramar Road, Suite 6000, San Diego, California 92126-4202. Written communications specifically marked as a communication for our Board of Directors, or a particular director, except those that are clearly marketing or soliciting materials, will be forwarded unopened to the Chairman of our Board, or to the particular director to whom they are addressed, or presented to the full Board or the particular director at the next regularly scheduled Board meeting.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics (the "Code") that applies to all of the Company's Directors, officers and employees, including its principal executive officer and principal financial officer. The Code is posted on the Company's website at www.rfindustries.com. The Company intends to disclose any amendments to the Code by posting such amendments on its website. In addition, any waivers of the Code for Directors or executive officers of the Company will be disclosed in a report on Form 8-K.

COMPENSATION OF EXECUTIVES AND DIRECTORS

Compensation Discussion and Analysis

Because the Company is a "smaller reporting company," as defined by the rules of the Securities and Exchange Commission, the Company is not required to provide a compensation discussion and analysis in this Proxy Statement. Nevertheless, this Compensation Discussion and Analysis is provided in order to address the aspects of the Company's compensation programs and explain the Company's compensation philosophy, policies, and practices with respect to the Named Executive Officers that are listed in the "Executive Compensation" section below. During fiscal 2012, these individuals were: Howard Hill, the Company's Chief Executive Officer (Mr. Hill also served as Interim Chief Financial Officer during part of fiscal 2012), and James Doss, the President (Mr. Doss also served as the Chief Financial Officer during part of fiscal 2012).

The compensation program is designed to recruit and retain as executive officers individuals with the highest capacity to develop, grow and manage our business, and to align their compensation with the Company's short-term and long-term goals. To do this, the compensation program for executive officers is made up of the following main components: (i) base salary, designed to compensate our executive officers for work performed during the fiscal year; (ii) short-term cash incentive programs, designed to reward the executive officers for achieving yearly performance goals and for their individual performances during the fiscal year; and (iii) equity-based awards, meant to align the executive officers' interests with the interests of the Company's stockholders.

The Board has appointed a Compensation Committee, which consists of Messrs. Fink, Reynolds and Benoit, to assist the Board in discharging its responsibilities relating to compensation matters, including matters relating to compensation programs for directors and executive officers. The Board of Directors believes that each member of the Compensation Committee is an "independent" director as defined by the listing standards of The Nasdaq Stock Market. The Compensation Committee has overall responsibility for evaluating and recommending compensation plans, policies and programs, compensation and benefits of the Named Executive Officers.

The Compensation Committee attempts to structure the total compensation for the Company's Named Executive Officers to provide a guaranteed amount of cash compensation in the form of competitive base salaries, while also providing a meaningful amount of annual cash compensation that is at risk and dependent on our performance and individual performances of the executives, in the form of discretionary annual bonuses. The Company also seeks to provide a portion of total compensation in the form of equity-based awards under the Company's stock option plan in order to align the long-term interests of executives with those of the stockholders and for retention purposes. Historically, the Company has made larger grants of stock options to the Named Executive Officers and other key officers and employees at the time that the officers/key employees first join the Company, which options vest over a longer period of time (often up to 10 years). These option grants are supplemented by smaller, annual options grants that are similar to the option grants made to other officers and key employees.

Base salaries for our executive officers are determined by an assessment of the Company's overall financial and operating performance, each executive officer's experience, duties, responsibilities, performance evaluation and changes in his or her responsibilities. The Company seeks to establish annual base salaries that are fair and competitive with salaries for executive officers in similar positions and with similar responsibilities in the Company's marketplace. The annual base salaries are supplemented with year-end cash bonuses that are based on both qualitative metrics (including non-GAAP financial measures such as EBITDA) and subjective criteria (such as the development and execution of specified strategic plans to divest the Company of divisions or to acquire other lines of business, the exercise of leadership, the support and development of management and other employees, success in company-wide cost savings efforts, improvement in business activities, and each executive officer's contribution to investor relations). Each Named Executive Officer has different subjective/qualitative targets that are tailored to that officer's duties and position.

For the fiscal year ended October 31, 2012, the annual base salaries of Mr. Hill and Mr. Doss were \$240,000 and \$168,000, respectively. Mr. Hill's base salary is fixed under his two-year employment agreement that expires on July 31,

2013. The base salary of Mr. Doss currently is \$168,000. In order to incentivize and reward our Named Executive Officers for their contribution to our financial and operational success, the Compensation Committee has established a bonus plan for these officers based on the Company's goals for the current fiscal year. Under the bonus plan, at the end of this fiscal year, Mr. Hill is entitled to receive a year-end bonus targeted at approximately 45% of his annual base salary, and Mr. Doss is entitled to receive a bonus targeted at approximately 35% of his annual base salary. 70% of the foregoing potential bonus is tied to quantitative criteria that the Compensation Committee established during the first fiscal quarter of the current fiscal year. The quantitative criteria established for the current fiscal year is based on a pre-determined EBITDA formula. The Compensation Committee has established a baseline EBITDA amount that the Company must meet before the Named Executive Officers can receive any portion of their quantitative bonus. Under the bonus plan, if the Company generates EBITDA in excess of the baseline EBITDA, then the Named Executive Officers will ratably earn a year-end bonus (up to 70% of the total potential bonus) based on the amount of EBITDA above the baseline EBITDA. In addition, the Compensation Committee has established qualitative targets for the Named Executive Officers. If the Compensation Committee determines, in its discretion, that the Named Executive Officers have met some or all of the qualitative targets, the Named Executive Officers will be granted a discretionary year-end bonus in an amount up to 30% of the total potential bonus.

Executive Compensation

Summary of Cash and Other Compensation. The following table sets forth compensation for services rendered in all capacities to the Company for each person who served as the Company's Chief Executive Officer during the year, and to each executive officer, other than our Chief Executive Officer, who earned over \$100,000 during the fiscal year ended October 31, 2012 (collectively, the "Named Executive Officers"). No other executive officer of the Company received salary and bonus, which exceeded \$100,000 in the aggregate, during the fiscal year ended October 31, 2012:

Because Mr. Hill does not live in San Diego, the Company has maintained an apartment in San Diego for Mr. Hill and some of the other managers since 1994. The compensation attributable to the use of a Company vehicle represents the value of his personal use of a Company vehicle.

(2) Mr. Doss's other compensation consisted of \$1,115 and \$3,932 of accrued vacation not taken in fiscal 2012 and 2011, respectively, and \$10,527 and \$13,170 for vehicle costs in fiscal 2012 and 2011, respectively.

(3) During fiscal 2012, Mr. Doss also served as the Company's Chief Financial Officer. As of January 18, 2013, Mr. Hill became the Interim Chief Financial Officer, and Mr. Doss resigned as the Chief Financial Officer. Mr. Doss continues to serve as the President of the Company. On June 7, 2013, Mark Turfler was appointed as the Company's Acting Chief Financial Officer, and Mr. Hill resigned as Chief Financial Officer.

(4) The amounts in this column represent the option awards recognized by the Company as an expense for financial reporting purposes. The fair value of these awards and the amounts expensed were determined in accordance with Financial Accounting Standards Board Statement ASC Topic 718. The assumptions we use in calculating these amounts are discussed in Note 7, "Stock options," to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended October 31, 2012.

2012 Option Grants

In fiscal 2012, the Company did not grant stock options to any Named Executive Officers.

Holdings of Previously Awarded Equity

Equity awards held as of October 31, 2012 by each of our Named Executive Officers were issued under our 2000 Stock Option Plan and 2010 Stock Incentive Plan, except for options to purchase 215,204 shares that were granted to Mr. Hill in 1994 under his employment agreement. During the fiscal year ended October 31, 2012, the Company did not adjust or amend the exercise price of stock options awarded to the Named Executive Officers.

Employment Agreements

Mr. Hill previously served as President and Chief Executive Officer of the Company, pursuant to an employment agreement that expired on June 20, 2011. Effective July 5, 2011, Mr. Hill resigned as President of the Company (but remained the Chief Executive Officer) and James Doss, then the Company's Chief Financial Officer and Corporate Secretary, was appointed as the Company's President. On January 18, 2013, Mr. Doss stepped down as the Chief Financial Officer and Secretary. Mr. Doss continues to serve as the Company's President in charge of operations. Mr. Hill served as this Company's Interim Chief Financial Officer and Corporate Secretary until June 7, 2013, at which time Mark Turfler was appointed as this Company's Acting Chief Financial Officer and Corporate Secretary.

Howard Hill. On August 22, 2011, the Company entered into a new employment agreement with Howard F. Hill, pursuant to which Mr. Hill will continue to serve as the Company's Chief Executive Officer through July 31, 2013 (the "Term"), subject to earlier termination as provided in the employment agreement. Under the employment agreement, Mr. Hill is currently entitled to receive an annual salary of \$240,000 until the end of the Term. Mr. Hill also is entitled to

participate in any pension, retirement, disability, insurance, medical service, or other employee benefit plan that is generally available to all employees of the Company, to the life insurance policy and disability insurance policy that the Company currently maintains for Mr. Hill, and to six weeks of paid vacation per year. Additionally, Mr. Hill is entitled to certain compensation from the Company in connection with the termination of his employment under the following circumstances: (i) if the Company terminates Mr. Hill's employment without "cause" (as defined in the employment agreement), the Company has agreed to pay Mr. Hill upon termination an amount equal to the greater of (x) the salary that would have been paid to Mr. Hill during the balance of the Term, or (y) 12 month's salary (in each case, based on Mr. Hill's monthly salary at the time of such termination); (ii) if Mr. Hill terminates his employment for Good Reason (as defined in the employment agreement), Mr. Hill is entitled to severance compensation in the form of continuation of base salary and existing medical and dental insurance for 24 months following termination of employment; and (iii) within 120 days after a Change of Control (as defined in the employment agreement), Mr. Hill will have the right to terminate his employment, and to receive a cash payment in an amount equal to the greater of (x) the salary that would have been paid to Mr. Hill during the balance of the Term, or (y) 12 month's salary (in each case, based on Mr. Hill's monthly salary at the time of such termination). In order to further incentivize Mr. Hill, the Company has implemented a non-guaranteed bonus plan under which Mr. Hill can earn a year-end bonus (set at approximately 45% of his annual base salary) based on both targets and other factors established by the Company's Compensation Committee. These bonus targets are subjective and vary from year to year based on the Company's current circumstances and goals. In general, the factors used to determine the size of any year-end bonus that the Compensation Committee may approve include financial targets (such as EBITDA targets) and qualitative metrics (such as adherence to specified corporate policies, customer acquisition and diversification goals, and timeliness in the filing of Company reports).

James Doss. The Company does not have a written employment agreement with James Doss, the President of the Company. Mr. Doss currently receives an annual salary of \$168,000. In addition, Mr. Doss can earn a year-end bonus of approximately 35% of his annual base salary based on both targets and other factors established by the Company's Compensation Committee. These factors are similar to those established for Mr. Hill, but are typically tailored to Mr. Doss' duties.

Compensation of Directors

Under the new compensation policies adopted by the Compensation Committee, directors who also are officers and/or employees of the Company do not receive any compensation for serving on the Board. Non-employee directors (i.e. directors who are not employed by the Company as officers or employees) now receive \$25,000 annually, which amount is paid one-half in cash, and one-half through the grant of stock options to purchase shares of the Company's common stock. David Sandberg and J. Randall Waterfield were directors during fiscal 2012, but have since resigned. Joseph Benoit was appointed as a director after the end of fiscal 2012 and, accordingly, is not included in the following table. Mr. Sandberg previously agreed to be excluded from director compensation payments until September 2012. The number of stock option shares granted to each director was determined by dividing \$12,500 by the fair value of a stock option grant using the Black Scholes model (\$1.09 per share). On August 29, 2012 the Company granted three of the outside directors (excluding Mr. Sandberg) stock options to purchase 11,468 shares. Mr. Sandberg was granted 1,911 for the remainder of fiscal 2012. The stock options have an exercise price of \$4.12.

These amounts do not correspond to the actual value that will be recognized by the named directors from these awards.
- (2) On February 3, 2012, we granted a five-year non-qualified option to purchase 8,000 shares and 4,000 shares, respectively, of the Company's common stock to Mr. Fink (Chairman) and Mr. Reynolds (Independent Director) for their services as directors for the fiscal year ended October 31, 2012. The options have an exercise price of \$3.91 per share.
- (3) On August 30, 2012, we granted a five-year non-qualified option to purchase 11,468 shares of the Company's common stock to each of Mr. Fink, Mr. Reynolds, and Mr. Waterfield for services rendered as independent members of the Board of Directors for the Corporation for the fiscal year ending October 31, 2012, and options to purchase 1,911 shares to Mr. Sandberg (as compensation for services to be rendered as an independent director in September and October 2012). All of the foregoing options were granted at an exercise price of \$4.12 per share.
- (4) The total compensation received by these directors in 2012 exceeds the annual limit of \$25,000 because certain compensation paid in 2012 represents amounts due, but not paid, in 2011.
- (5) Under the Company's prior director compensation policy in effect in fiscal 2011, new directors received a one-time initial grant of options to purchase 15,000 shares following the new director's appointment to the Board. Accordingly, Darren Clark was entitled to receive options to purchase 15,000 shares, which options were granted on December 22, 2011. Mr. Clark's options to purchase 15,000 shares were granted at an exercise price of \$3.69 per share.

Certain Transactions

On April 1, 1997, the Company loaned to Howard Hill, its President at that time and Chief Executive Officer, \$70,000 pursuant to a Promissory Note which provides for interest at the rate of 6% per annum and which has no specific due date for principal repayment. As of October 31, 2012, the principal balance still outstanding on the loan was \$66,980. Mr. Hill pays interest on the loan annually. The note is collateralized by personal property owned by Mr. Hill.

On June 15, 2011, the Company purchased Cables Unlimited, Inc., a New York corporation, from Darren Clark, the sole shareholder of Cables Unlimited, Inc. In connection with the purchase of Cables Unlimited, the Company entered into a five-year lease for the New York facilities from which Cables Unlimited conducts its operations. Cables Unlimited's monthly rent expense under the lease is \$13,000 per month, plus payment of all utilities, janitorial expenses, routine maintenance costs, and costs of insurance for Cables Unlimited's business operations and equipment. During the fiscal year ended October 31, 2012, the Company paid the landlord a total of \$156,000 under the lease. The owner and landlord of the facility is a company controlled by Darren Clark, the former owner of Cables Unlimited and a current director of the Company.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Executive officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of reporting forms received by the Company, the Company believes that during the fiscal year ended October 31, 2012, the following Forms 4 were filed later than is required under Section 16(a) of the Securities Exchange Act of 1934:

- Mr. Hill filed a Form 4 two days late with respect to shares that he sold on November 4, 2011.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" ELECTION OF THE FOREGOING DIRECTORS.

PROPOSAL NO. 2: ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Company is a smaller reporting company that is required under the Dodd-Frank Wall Street Reform and Consumer Protection Act to present a resolution to the stockholders to approve the compensation of this Company's Named Executive Officers at the first annual or other stockholder meeting occurring on or after January 21, 2013. Therefore, the Company is asking its stockholders to approve, on an advisory basis, the compensation of our Named Executive Officers, as disclosed in the Compensation of Executives and Directors section of this proxy statement, included above, particularly the "Compensation Discussion and Analysis," the Executive Compensation table, and the related compensation tables and disclosure.

As described above in the Compensation of Executives and Directors section of this proxy statement, the executive officer compensation programs are designed to support this Company's business goals and to promote short- and long-term profitable growth. We urge stockholders to read the "Compensation Discussion and Analysis" section of the proxy statement, which describes our executive compensation policies, and to review the other related compensation tables and narratives, which provide detailed information on the compensation of our Named Executive Officers. The Compensation Committee believes that the policies and procedures set forth in the Compensation of Executives and Directors section are effective in fulfilling the Company's objectives and that the compensation of our named executive officers reported in this proxy statement has supported and contributed to our recent and long-term success.

Proposal No. 2, commonly known as a "say on pay" vote, gives stockholders the opportunity to endorse or not endorse the compensation of our executives as disclosed in this Proxy Statement. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, that the stockholders approve the compensation of the Company's Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission in the compensation tables and related narrative disclosure in the Company's proxy statement for the Annual Meeting.

This vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board or creating or implying any change to the fiduciary duties of the Board of Directors. The vote will not affect any compensation previously paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

Unless the Board modifies its policy on the frequency of holding "say on pay" advisory votes, the next "say on pay" advisory vote will occur in 2014.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THIS RESOLUTION.

**PROPOSAL NO. 3:
ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY
"SAY ON PAY" VOTES**

Under the Dodd-Frank Act, in addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, the Company is required this year to include in this Proxy Statement and to present at the Annual Meeting a non-binding stockholder vote on whether an advisory vote on executive compensation should be held every year, every two years or every three years. The Board of Directors believes that an advisory "say on pay" vote on executive compensation should be held every year so that stockholders may regularly express their views on our executive compensation program.

Proposal No. 3, commonly known as a "say on frequency" vote, gives stockholders the opportunity to endorse or not endorse the decision of the Board of Directors to hold an advisory vote on executive compensation at each annual meeting of stockholders hereafter. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, that the stockholders approve the Company's presentation at each annual meeting of stockholders hereafter of a proposal to approve the compensation of the Company's Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission in the compensation tables and related narrative disclosure in the Company's proxy statement for such annual meeting.

This vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board of Directors or creating or implying any change to the fiduciary duties of the Board. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

Stockholders can choose one of four choices for this Proposal on the proxy card: one year, two years, three years, or abstain. Stockholders are not voting to approve or disapprove our Board's recommendation.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE TO HAVE FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY YEAR.

**PROPOSAL 4:
SELECTION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected CohnReznick LLP, formerly J.H. Cohn LLP, to continue as the Company’s independent registered public accounting firm for the fiscal year ending October 31, 2013.

Stockholder ratification of the selection of CohnReznick LLP as the Company’s independent registered public accounting firm is not required by the Company’s Bylaws or otherwise. However, the Board is submitting the selection of CohnReznick LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board will request the Audit Committee to reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee of the Board determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares represented and voting at the meeting will be required to ratify the selection of CohnReznick LLP.

Consists of fees billed and estimated for professional services rendered for the audit of the Company’s annual financial statements and review of the interim financial statements included in quarterly reports and services that are normally provided by CohnReznick LLP in connection with statutory and regulatory filings or engagements.

Audit-Related Fees. Consists of fees billed and estimates for assurance and related services that are reasonably related to the performance of the audit and review of the Company’s financial statements and are not reported under “Audit Fees.” These services include professional services requested by the Company in connection with its preparation for compliance with Section 404 of the Sarbanes-Oxley Act of 2002, accounting consultations in connection with acquisitions and consultations concerning financial accounting and reporting standards. The decrease in these fees is primarily due to work related to the acquisition of Cables Unlimited, Inc. in 2011.

The Audit Committee has determined that the provision of services, in addition to audit services, rendered by CohnReznick LLP and the fees billed therefore in fiscal 2012 and 2011 were compatible with maintaining CohnReznick LLP’s independence.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF COHNREZNICK LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.
