The Company's products include RF connectors, coaxial and custom cable assemblies, fiber optic cables, wiring harnesses and medical wiring. The Company's leading edge connectivity solutions are used throughout the growing and evolving wireless infrastructure. The Company has reported 20 consecutive years of profitability and is headquartered in San Diego, California with operations in Las Vegas, Nevada and Yaphank, New York. Please visit the RF Industries website at www.rfindustries.com.

Forward-Looking Statements

This press release contains forward-looking statements with respect to future events which are subject to a number of factors that could cause actual results to differ materially. Factors that could cause or contribute to such differences include, but are not limited to: changes in the telecommunications industry; the operations of the Cables Unlimited division; and the Company's reliance on certain distributors for a significant portion of anticipated revenues. Further discussion of these and other potential risk factors may be found in the Company's public filings with the Securities and Exchange Commission (www.sec.gov) including its Form 10-K. All forward-looking statements are based upon information available to the Company on the date they are published and the Company undertakes no obligation to publicly update or revise any forward-looking statements to reflect events or new information after the date of this release.
