

RF Industries to Host Conference Call to Discuss Fourth Quarter and Year End Results

San Diego, California, January 16, 2013 – RF Industries Ltd. (NASDAQ: RFIL) today announced that it will release financial results for the fourth quarter and year ended October 31, 2012 at approximately 8:30 a.m. Eastern Time on Tuesday, January 22, 2013. RFI will host a conference call and webcast at 12:00 noon Eastern Time that day to discuss the Company's fourth quarter and year end results.

To participate in the call by phone, dial (877) 407-9210 approximately five minutes prior to the scheduled start times. International callers please dial (201) 689-8049.

A simultaneous webcast of the conference call can be accessed from the Investor Information page at www.rfindustries.com.

A replay of the teleconference will be available until February 22, 2013 and may be accessed by dialing (877) 660-6853. International callers may dial (201) 612-7415. Callers should use conference ID: 406878.

About RF Industries

RFI manufactures, designs and distributes Radio Frequency (RF) connectors and cable assemblies, medical cabling products, RF wireless products and fiber optic cable products. Coaxial connectors, cable assemblies and custom microwave RF connectors are used for Wi-Fi, PCS, radio, test instruments, computer networks, antenna devices, aerospace, OEM and Government agencies. Medical Cabling and Interconnector products are specialized custom electrical cabling products for the medical equipment monitoring market. RF Wireless products include digital data transceivers for industrial monitoring, wide area networks, GPS tracking and mobile wireless network solutions. Fiber optic cable, connector and harness products serve computer, aerospace, computer networking and specialty applications.

Safe Harbor Statement under the Private Securities Litigation Act of 1995

Statements contained herein, which are not historical facts constitute forward-looking statements involve a number of known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include, but are not limited to, changes in the markets for refrigerants (including unfavorable market conditions adversely affecting the demand for, and the price of refrigerants), the Company's ability to source refrigerants, regulatory and economic factors, seasonality, competition, litigation, the nature of supplier or customer arrangements which become available to the Company in the future, adverse weather conditions, possible technological obsolescence of existing products and services, possible reduction in the carrying value of long-lived assets, estimates of the useful life of its assets, potential environmental liability, customer concentration, the ability to obtain financing and other risks detailed in the Company's periodic reports filed with the Securities and Exchange Commission. The words "believe", "expect", "anticipate", "may", "plan", "should" and similar expressions identify forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date the statement was made.
